

Don Palfrey Scholarship

A \$1,000 scholarship will be awarded annually in recognition of the many years of service and contributions to weed science in Nova Scotia by Don Palfrey. The Don Palfrey Scholarship will be awarded to B.Sc.(Agr.) student who is carrying out a senior year research project in the area of pest management with a preference given to students involved in weed science, either through academic work or summer employment. Applications must be admitted to the NSAC Awards Office no later than September 20.
