

# ***SYNGENTA PEST MANAGEMENT AWARDS***

Syngenta Crop Protection awards two \$500 scholarships to students at NSAC whose course and project work reflect an interest in the Maritime potato industry. Applicants will be required to submit a 300-500 word essay expressing opinion on a topic relating to the crop protection industry - suggested topics include: the future of genetically modified plants/crops, the future of crop protection products to Maritime agriculture (the fit and relevance of the agri-chemical industry to today's agri-food industry). Selection criteria include academic performance, interest in the Maritime potato industry, and potato farm experience or background. Applications must be submitted to the NSAC Awards Office not later than September 24.
