

# *Canard Conservation Graduate Scholarship*

The Canard Conservation Fund provides an annual \$1,500 scholarship to a graduate student at NSAC conducting research work on environmental issues. Selection criteria will include: Research aptitude and experience relevant of the applicant's research to conservation issues and sound academic performance. Only full-time students will be eligible and preference will be given to students in the second year of study in the M.Sc. Program. Applications including an essay on the importance of their research to conservation issues accompanied by a resume and official transcript.

*Applications must be submitted to the NSAC Awards Office not later than July 27.*

Name: \_\_\_\_\_ Student I.D. \_\_\_\_\_
