

Paul R. MacPhail PEI Potato Industry Scholarship

In memory of Paul R. MacPhail, the PEI Potato Board offers a \$500 scholarship to a PEI student studying at the graduate or undergraduate level of an agriculture degree program at any recognized Canadian agricultural institution or to students in a post graduate degree program at a recognized Canadian university carrying out a research project related to potato production and utilization (including all disciplines ie. biotechnology, pathology, entomology, etc). Undergraduate students must demonstrate through course work, summer employment and/or home farm background an interest in working in the potato industry. Selection criteria for potential undergraduate scholarships include academic performance, extra-curricular activities and employment history. Graduate students will be considered on the basis of academic performance and relevance of the project to the improvement of the Prince Edward Island potato industry. Applications must be submitted to the NSAC Awards Office not later than September 20.
