Can Poetry Save the Earth?

... An afternoon with writer John Felstiner

Thursday, June 10th 2:00 p.m. – 4 p.m.
Jenkins Hall Lounge, NSAC Campus

In this thought-provoking book, John Felstiner explores the rich legacy of poems that take nature as their subject and demonstrates their force and beauty. In our own time of environmental crises, he contends, poetry has a unique capacity to restore our attention to our environment in its imperiled state.
