On behalf of the Atlantic Institutes of Agrologists and in conjunction with the Nova Scotia Agricultural College, the Nova Scotia Institute of Agrologists is pleased to host the “Meet the Grads” evening. The “Meet the Grads” evening provides an excellent opportunity for you to network with professionals in the industry, to become acquainted with the range of opportunities in the field of agriculture, and to learn of job opportunities that might be available to you. We encourage you to attend this event as it is a great first step in venturing out into the working world. We look forward to seeing you on Wednesday, January 23, 2008.
