

# **WEB WARRIORS**

## **GOOD VS. EVIL**

**Date: Friday, March 5**

**Time: noon**

**Location: Cox 24**

There will be a 45 minute presentation of an episode of CBC's Doc Zone followed by a 15 minute discussion hosted by Fred Manley.

This is intended to be the first in a series of lunchtime seminars discussing the topic of safe computing practices from a desktop perspective.
