

# Supporting International Diversity on Campus

An interactive workshop with Julie Snair, co-ordinator of  
International Education at Acadia University

Date: Wednesday, April 14

Time: 1:30 p.m. - 4 p.m.

Venue: Alumni Hall (only 25 seats available)

**Diversity** is a natural occurrence as each person is individual.  
**Inclusion**, however, requires an active decision on the part of  
each individual.

The workshop will begin with an exploration of Acadia's responses  
to international diversity and will continue with interactive group  
discovery activities.

## Discover:

- What is diversity?
- How do they affect the campus?
- What is inclusion?
- What is my role?
